## SHOW CAUSE NOTIFICATION AND DISCLOSURE

August 11, 2022

Please be informed that Medical Career College (MCC) has received a show cause directive from the Accrediting Bureau of Health Education Schools (ABHES) and has directed to disclose this information to all current and prospective students from all programs of the institution.

The ABHES Commission has determined that the institution had resolved the financial concerns. However, the College has to respond to some deficiency areas.

MCC Administration has put together a Teach-Out Plan for all students enrolled in Medical Assisting, Associate of Science in Healthcare Management, Vocational Nursing and Nursing Assistant programs. Our Teach-Out Plan meets the requirements set forth by the ABHES.

The College administration, faculty, and staff are committed to continuously offer the quality education that all enrolled students deserve.

Any question can be directed to Dr. Marilyn Castillo at (510) 445-0319 or via email at [info@medcc.edu](mailto:info@medcc.edu) or [marilyn@medcc.edu](mailto:marilyn@medcc.edu).

Thank you,

Dr. Marilyn Castillo
